IBR ANNOUNCES RETIREMENT OF COMPANY FOUNDER BEN VAN DYK

VANCOUVER, CANADA, August 9, 2010 – International Bio Recovery Corporation (“IBR”) (TSX-V: IBR), a developer and marketer of proprietary technologies for the production of organic-based, high-value agricultural products from organic wastes, announces that Ben Van Dyk has retired from his position as Director of Marketing effective October 15, 2010. Mr. Van Dyk will continue as a director of the Company but will be giving up his role as Chairman of the Board of Directors.

Mr. Van Dyk, along with his son Mack and his brothers, Dick and Jerry founded IBR and developed the proprietary technology and process. The Board of Directors, management and staff of IBR thank Ben for his significant contributions to IBR and wish him well in his retirement..

About IBR

Located in North Vancouver, BC, IBR is committed to research and development to continue to improve the efficiency of its technology and the quality of Genica branded agricultural products. It is further committed to developing a world wide marketing capability to ensure market acceptance of the Genica products.
